Speakers:

Dr. Annie Norman – Director of Delaware Libraries

- ✓ Focused on
 - School Ready
 - Employment Ready
 - Health Ready
- ✓ 100 different partners that they work with on these three areas.
- ✓ They have LibGuide, it collects what each library does and what resources are available.
 - They have tabs on this such as mental Health etc. They have a person that keeps this updated.
- ✓ They have social workers that share time in the libraries throughout Delaware
- ✓ They have a state-wide calendar with all the programs as well by library
- ✓ There is an average of 4000 programs in the libraries and most are by partnership
- ✓ They give suggestions under each tab of books that help. For example, books on trauma.
- ✓ They are working on the mapping for each person.
- ✓ They have VISTA's that do Healthy Futures -AA screenings, flu shots, etc and a behavioral health opioid Addiction -TBD

Sgt. Brandi Neihoff - Civil Operations Delaware Counterdrug Task Force

- ✓ Ion scan is a marching they have where they can scan the eye
- ✓ They work with NJ Base and use a helicopter that can scan license plates and do high level security.
- ✓ The Civil Operations has been around from the end of 1980's
- ✓ State wide and works with different organization that wants to become a grant receipt
- ✓ DFC Grant is a grant that provides funding to coalitions in the community.
- ✓ There is a new app they are trying to do is get a crime mapping that is in real time.
- ✓ What they can help with is coaching, training, facilitation, intermediary, participant, coordinator, leadership, support
- ✓ Face the facts is a new none profit that just started to help families of addicts who have passed pay for the burier

New Business:

- ✓ A Day of Hope

Partner Updates:

- ✓ David Baugh spoke about a new app called OpiRescueDE. WBOC will be discussing this on tonight's 7:00 news.
