Equine therapy. A lot of different types of services.

Psychotherapy and learning opportunities

Learn about yourself through the horses

Provides medical assistance

Multiple types of behavioral therapy, pull that together and go out into the field and observe the horses.

Believe that our clients have their own answers and we support that

Serve youth all the way through the aging population

Outside, can social distance naturally. Very COVID compliant

Just contracted with THRIVE program with the Department of Education

Always finding programs that are covered through insurance or from funding programs so cost is never a barrier
